MEMORANDUM FOR: The Director

Dick:

As you know, my view had been to get the
long-form letter to Mr. Aspin at an early date. On the
advice of Mr. Hebert and Mr. Nedzi, however, we are now
writing a short letter to Mr. Aspin with a long report to the
Committee. The letter states that the investigation has been
completed. Actually, there are still a couple of loose ends,
and it seems to me the investigation of Messrs. Brady and
Boyer for the House Foreign Affairs Committee is a part of
the whole investigation, at least to determine that their
conclusions are not incompatible with ours. So far I have
seen no information which contradicts the substance of our
letter to Mr. Aspin, but I recommend we hold the Aspin letter
until our report is in better form and has been checked out
with Brady and Boyer.

Remarks:

[   ] has been interviewed and
identifies the man he saw as the same
Ger Su Yang seen by Brady, Boyer, and
McCoy. The speculation on Ger Su Yang's
denial of the [   ] interview is that
Vang Pao probably has instructed him
never to talk about any of his CIA
contacts. This will be discussed with
Brady and Boyer when they return.
